

## Need any Marine Engines or Generator Sets in Maldives?

Tractors Singapore was assigned the service territory of the Republic of Maldives on 15<sup>th</sup> June 2000. Our Power Systems Division offers marine engine ranging from 250 bhp to 1400 bhp and can be used for:

- ferry boat
- fishing dhoni
- passenger launch

and generator sets ranging from 7 kVA to 7150 kVA capacity for a variety of critical electric power application on land, including:

- standby power source for buildings
- power pack for rubber tyred gantry cranes
- source of main power for resorts, factories and utility plants

**FOR PEACE OF MIND AND TO ENJOY THE BENEFITS OF WORKING WITH THE TECHNOLOGY LEADER...** When you can't afford to fail, Cat<sup>®</sup> electrical power systems supply both primary and standby power for a variety of uses – hospitals, schools, factories, airports, office buildings, resorts and more!
